Instructions for authors. All submissions must include a title page with the following elements: title of the paper; author name(s) and affiliation; name, address and email of the corresponding author; keywords; 2010 Mathematics Subject Classification; an abstract clearly stating the nature and significance of the paper. In case of coauthors, they should be listed alphabetically by their last or family name, regardless of their contribution to the manuscript. References should appear in a separate bibliography at the end of the paper, with items in alphabetical order referred to by numerals in square brackets. Please prepare your submission as one single PDF file including all elements of the manuscript (title page, main text, illustrations, bibliography, etc.).

Manuscripts must be submitted online to the Editorial Office.

The journal's language is English.

For technical reasons we can only accept files in LaTeX format.

When your manuscript is accepted for publication, you will be asked to send the paper using the style file of our journal available at
